my nerves are very bad. 00 4. m  
 Poor Bobby you didn't have nothing  
 to do with this. I felt  
 the man's pen and pencil  
 up. I hope they  
 don't turn up my state -  
 must imagine then I did  
 myself. Let's see what he  
 returns back to the scene  
 of the crime. He was  
 probably going to set  
 up. That's what  
 it looks like. That man  
 was pretty damn  
 good. O.K. That was  
 I should have stayed home  
 I don't like me or this  
 shit. I don't know what  
 I said. You know what  
 happened I left that  
 early in the afternoon  
 there how I have used

①  
 at the fire scene. I saw of  
 a saddle crime. The way  
 they let me that shit,  
 on the whole heath  
 time. I should have my  
 his ass over. I should  
 have told the police where  
 to find him. He was there  
 I probably saw him and  
 cut. That's what he  
 got all this shit. That's  
 money. He was taking about  
 he was going to give me  
 \$200 ~~that's what I'm~~  
 And to fuck I'm tripping  
 thinking they can give me  
 a car that or sleeping out  
 just some in money. And  
 I got a Bentley change  
 when it was a bitch.

hope so.

to take a nap. But I  
couldn't sleep sometimes  
my nerves get so bad.  
I just can't take this
